

VIÑA ZORZAL

2016

Malayeto Garnacha

"...from 2.39 hectares of vines averaging 35 years of age in the village of Fitero at 520m in altitude on limestone soils. It's a bright ruby colored red, wine with tons of spices, herbs, flowers, notes of bay leaf, thyme and a bright personality. It has a light to medium-bodied palate with unnoticeable oak (it matured in well-seasoned, neutral oak foudres and barrels), with complex stone minerality, a dry and long finish. This is really delicious and a very good value.... **This is a real bargain, one to buy by the case.**" —*Luis Gutiérrez, Issue #240*
