cora

Cora is an exciting proprietary label made for Bowler Wine. The wines are fresh, fun, uncomplicated, yet they overdeliver and satisfy our exacting standards!

Unlike many private labels in our market, which often come from 'tank farms' in the North, blending fruit from myriad sources, our Cora comes from a single winery partner in Abruzzo. They use 100% estate-grown

fruit, including some older vines planted in pergola abruzzese.

Certified sustainable farming:

NO herbicides

NO pesticides

NO irrigation

YES to limiting copper use

YES to avoiding soil compaction

Certified carbon neutral--all electricity use at the winery comes from 100% solar and wind power.

Certified Vegan--no animal-derived products are used in winemaking.

We are proud to present Cora, which we believe represents the best of everyday drinking without compromise.
