TRECASE
PROSECCO DOC
TREVISO
EXTRA DRY

TreCase--Three Houses--comes from the province of Treviso, just east of Conegliano, the heart of the Prosecco DOC zone. The fruit comes from two family-owned wineries we have partnered with for this special project. It took us years and countless blind tastings, but we finally found the everyday Prosecco we have been dreaming of, one that meets Bowler's uncompromising standards of quality, typicity, and enjoyment.
