

# CORA

## Abruzzo, Italy

Cora is an exciting proprietary label made for Bowler Wine. The wines are fresh, fun, uncomplicated, yet they overdeliver and satisfy our exacting standards!

Unlike many private labels in our market, which often come from 'tank farms' in the North, blending fruit from myriad sources, our Cora comes from a single winery partner in Abruzzo. They use 100% estate-grown fruit, including some older vines planted in pergola abruzzese.

Certified sustainable farming:

NO herbicides

NO pesticides

NO irrigation

YES to limiting copper use

YES to avoiding soil compaction

Certified carbon neutral--all electricity use at the winery comes from 100% solar and wind power.

Certified Vegan--no animal-derived products are used in winemaking.

We are proud to present Cora, which we believe represents the best of everyday drinking without compromise.

### Montepulciano d'Abruzzo 2022 12/750ml

Soft-pressed, macerated for two weeks, and fermented under cool temperatures (16° - 17°C). The wine then undergoes malolactic fermentation and is kept in tank for an additional six months before bottling. This is an excellent value, with notes of bitter cherry and spice on the nose. The wine is medium bodied and juicy, with just enough tannin on the finish to give it structure. This is a perfect foil for pizzas, pastas, grilled meats or poultry and vegetables.

### Technical Specifications
