

LE BABBLER

Bordeaux, France

Fun and fancy free - Le Babbler is meant to inspire one to babble on and on about anything that brings joy. The wine comes from Château Lauduc, owned by the Grandeau family for four generations. The vineyards and winery are just ten kilometers from downtown Bordeaux in the Entre-Deux-Mers region. The winery is certified sustainable by HVE and after successful trials in 2018, they began the organic certification process in 2019. Only organic products are used for vineyard management. The vines average 35 years-old and are grown in limestone clay, siliceous, and gravel soils that give the wine a lot of freshness and balance. Once harvested at their best maturity, the vinification is handled in the modern cellar with thermo-regulated stainless steel tanks used to extract soft tannins and deep color, respecting the fruits' true expression. In the bottle, you'll find poetry, art, and inspired conversation.
